Product Highlights

- Poland and the Baltic states are now available on one CD: ~100 % detailed streets for Poland, Estonia and Lithuania. In addition, Latvia is covered with 63 % detailed street network.
- From anywhere to anywhere in no time at all: Find the most direct route to your exact destination thanks to detailed door-to-door navigation. Search by postcode and define your destination right down to the house number.
- Flexible on the roads: Avoid traffic jams and road works on many European motorways with the latest traffic information.
- Feeling a little peckish? Short of telling you what's on the menu, Tele Atlas guides you on the fastest route to more than 146 000 Points of Interest such as restaurants, petrol stations (including those offering CNG and LPG), car parks, train stations, ... you name it.
- Reach further: Important road network for several countries included.
- What's New? Updates include lots of new information such as new streets, new residential areas, new traffic situations and much, much more.
  - NEW: The Baltic States have been added.
  - House number ranges have increased and are now available for 55 % of the Polish population.
  - Updated TMC lists for Germany and Switzerland improves dynamic route guidance.
  - Additional more than 44 000 services in different categories as destination included.
  - The Important Road Network has been extended to include Russia. Several countries such as Bulgaria, Ukraine, Romania, Belarus and Moldova have been added for easier connection.

Tele Atlas is unique in being certified to the ISO/TS 16949 standard for its map quality.
